

Dear Families,

A fond farewell

At the end of this term we say a fond farewell to Mrs Butler, who will sadly be leaving Newton Road. She has worked incredibly hard to support our families since she joined the school and I know you will join me in thanking her for all the support she has offered. We wish her all the very best in the future. Unfortunately, she has not been here to say goodbye so she has sent a little message to you all.

Dear Families,

As I will no longer be working at Newton Road school, I wanted to take this opportunity to thank each and every family, parent/carer and child that I have had the privilege of working with. We have at times worked through some really difficult times, when you have needed support with the challenges of parenting children, and we all know there are many.

No one can take away our difficult experiences but with support we can all work through them and come out the other side, stronger people.

I would like to apologise especially to all the individual children I was working with for not completing the planned sessions before leaving.

I want to say goodbye, and thank you, to each of you and I wish you all the best in everything you go on to achieve in the future. I will remember all the fun games and craft sessions and all the more serious conversations too.

Take care and I will miss you all.

Lynn

I know some of you may have some queries about who to contact should you need any support. In the first instance, if you are concerned about the education of your child please speak to your child's class teacher. If you feel that you need any wider family and pastoral support for your child, and this is impacting your child's education, please feel free to contact Mrs Robinson, Mrs Coleman or myself.

Thank you all for your continued support.

Kind regards

Miss Mills
Principal
