

6th January 2022

Dear families,

### **National Space Centre Trip – Years 5 & 6**

As part of our Learning Journey 'To Infinity and Beyond', which we will be studying this term, we would like to take the children to The National Space Centre in Leicester.

- **Year 6 will visit on Thursday 3rd February 2022**
- **Year 5 will visit on Friday 4th February 2022**

We apologise for the short notice but feel this trip will improve and develop children's understanding of space, in relation to the school's curriculum on space. It will enhance their knowledge and understanding, whilst giving them experiences of the wider world.

We will be travelling by coach and will leave school at 8.15am promptly on both days. We will leave the Space Centre at 2.15pm to arrive back at school at approximately 3.45pm.

Children will need to be provided with a packed lunch (no fizzy drinks) in a disposable bag. If your child is entitled to free school meals, please order in the normal way and this will be changed to a **cheese packed lunch** for that day. If your child does not like the cheese option then we ask you to provide them with a packed lunch from home.

We have tried to keep the cost of the trip to a minimum, therefore the coach will be paid for by school, however we do need to ask for a voluntary contribution towards the cost of the National Space Centre. The cost of the trip will be £10.00, which includes coach travel and entry to the National Space Centre.

We are always grateful for your contributions to your child's education and hope you feel these trips worthy of continued support which ensure events like this can take place and consequently enhance your child's learning. If voluntary contributions do not meet the cost of an outing, then it may be cancelled. However, as in the past, no pupil will be

excluded because his/her parents cannot afford to contribute at a particular time. We hope that you will support the above visit.

Please could you send your contribution, together with the permission slip below, in a **named envelope**, either to your child's class teacher or to the school office. We would ask that payment is made by **Monday 31st January 2022**.

**We are sending you this information now, however paper copies will be sent home with your child on Monday.**

Thank you for your continued support.

Kind regards,

Mrs Fenn, Miss Masters and Mr Bosworth
